

View, print & download

Images in the Digital Library can be used in a variety of ways within the Image Viewer window.

1. Zoom/Pan/Rotate the image
2. Download images
3. Print a copy

Zoom  Pan  Rotate 

To zoom in to view a detail, be sure the "zoom" button is selected, then single-click the image; or, click the + button. To zoom out, hold the "Ctrl" key while clicking into the image or use the - button.

To pan around within a detail, click the "pan" button, then click and drag the cursor within the image window. You may also click and drag the red outlined area in the small thumbnail map in the lower right corner.

To rotate the image, click the "rotate" button, then click and drag the cursor across the image from left to right. The image will rotate around a central point.

Download image  Export to PowerPoint 

To download a single image

1. Open the desired image in the Image Viewer window, whether the full view of the work or a detail. When the desired view is displayed, click the "save" button in the lower, right corner.
2. You will be prompted to read ARTstor's Terms & Conditions of Use. Click **Accept** and choose a location to save the image in your computer's directory.
3. Two files will be saved. One is a .jpg of the image, the other is an .html document with the image information.

To download an image group to a PowerPoint 2007 file (instructor-level users)

1. Open the desired image group. Click the "export to PowerPoint" icon that appears at the top of the thumbnail page.
2. Follow the on-screen prompts to generate a .pptx file. Be sure to **Save** the presentation before opening it.

Printing a single image 

1. Open the desired image in the Image Viewer, whether the full view of the work or a detail. When the desired view is displayed, click the "Print" button in the lower, right corner.
2. Two pages will print. One page shows the image, the other page shows the image information.
